**Michigan & U.S. Agricultural Exports**

Name \_\_\_\_\_

## Export Information Sheet

Michigan has an important role in supplying food and farm products to countries all over the world. As of 1997, Michigan ranked third in the U.S. in the amount of agricultural products we send overseas. Some of the countries that purchase agricultural products from the U.S. and the products they purchase are listed below. Many of these agricultural products are produced in Michigan.

**Export:** To sell a product to another country.
